OUTLINE India

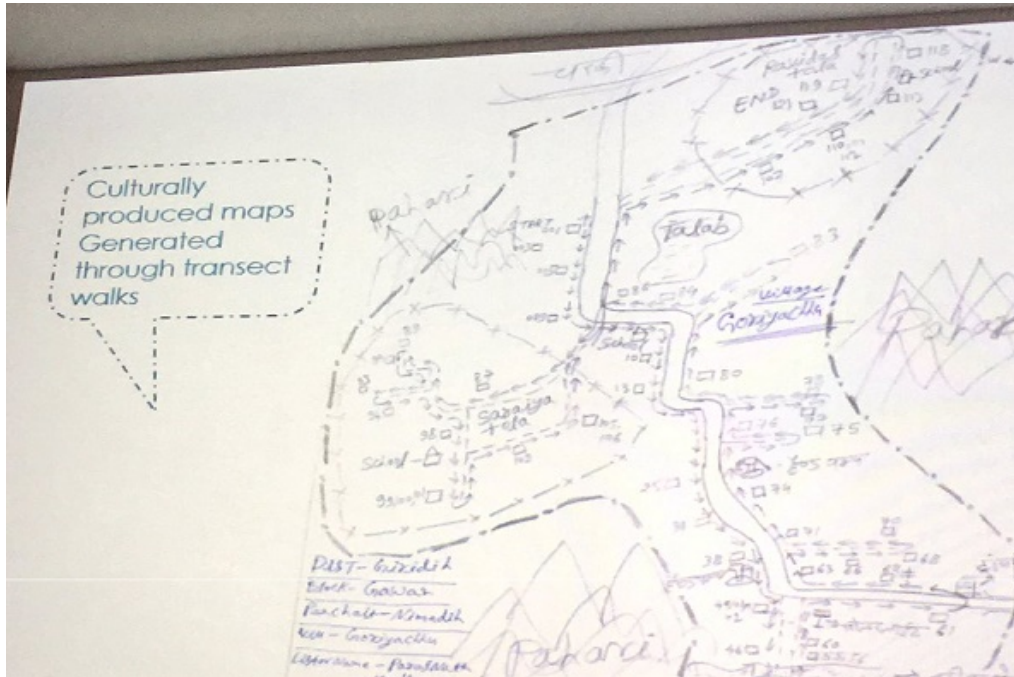

Social Impact through Data

CARPE DATUM

Outline India @ Asian Forum for Global Governance

Prerna Mukharya, Founder of Outline India, was a delegate at the AFGG conference as a **Raisina Fellow**, offered jointly by the [Ministry of External Affairs](#) (Govt. of India) and [Observer Research Foundation](#), held between Jan 09, 2017 to Jan 18, 2017. This conclave focused on Asia's physical, economic and digital connectivity and was lead by **Mr. Shashi Tharoor** as its Dean.

Outline India @ [Lives of data workshop](#)

Ms. Samayita Ghosh, Sr. Research Associate at Outline India, presented a paper at **Centre for the Study of Developing Societies** on the "Understanding of data from the eyes of a practitioner".

Outline India partners with Water Aid for a Hand Hygiene Survey

This research study is being conducted to understand the Hand Hygiene Behaviour across 8 districts in 4 Indian states through a survey using the mWater Platform.

Click [here](#) for Outline India's statistical insight into the MNREGA scheme

"Although the MNREGA scheme, an unprecedented policy of the govt. to provide social protection through employment, has been able to generate right-based work, its potential still remains unearthed."
